## Founders Desk

---

Mr. C.G Goswami

Goswami's Moms Pride School stands tall with a legacy of 15 years as an educational Institution . This is a result of a promising dream and great vision. The school is a beacon reflective of its vision of seeing every child as a responsible, confident, and valued citizen of the world with great command over the language . Our quest to provide enriching and holistic development is reflected through our qualitative programmes.

In this endeavour, we arouse curiosity amongst our students and unlock their hidden talents by educating, enlightening, and empowering them. The core purpose of GMPS is to provide children with a learning environment which brings out the best in them. We believe that every child is endowed with a unique set of attributes and abilities, which need to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence and all-round development, and ensures their well-being.

## Chairperson Desk

---

Do not train a child to learn by force or harshness, but direct them to it by what amuses their minds, so that you may be better able to discover with accuracy the peculiar bent of the genius of each."Plato (Greek Philosopher)

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be life long learners, Critical thinkers and productive member of an ever changing global society. Goswami's Moms Pride School always try to provide its student with an atmosphere for multi faceted development where children are encouraged to channelize their potential in the pursuit of excellence. Our vision is to nurture the talents skill and abilities of each student and to be identified and provide with a platform to think, express and exhibit their skills.

Mrs. Sonia Goswami

## Directors Desk

Mr. Nishant Goswami

At G.M.P.S, Innovative teaching strategies are essential for creating and engaging, effective learning environment for students, this helps teachers to develop creative approaches to instruct as well as help students to become independent learners.

G.M.P.S has two aspect to develop students, one where we focus on their overall academic development with practical approach, second we try to give them wings to know themselves through different annual events and weekly workshops.

In G.M.P.S, we believe that every child is different and they have their own identity, we at G.M.P.S transform them to be a better and successful citizens and persons in life.

G.M.P.S is not a school but it's a temple of endless learning and futuristic approach which are waiting for your kids. Come and let's explore them together.

## We are Inspired From

A leader is one who know the way, goes the way and Shows the way.

This quote has been proved by our IAS officer UP cadre batch 2011, Mr. Pulkat Khare who served as District Magistrate & collector of 3 districts Hardoi, Pilibhit & Mathura and till date (March 2024) serving as 'Special secretary of Government of Uttar Pradesh Planning Department. He has demonstrated a great commitment to public service. His efficient leadership and persistent commitment to improving society has inspired us. His journey to success at a young age had proved that with determination, hard work, and the right mind set, anyone can make their dreams reality. He applauded and boosted our confidence by his golden words for our annual event. He appreciated our theme 'Cultures' which showcased the diversity of our nation. He glorifies the tenacity of our students as well as teachers. He wished a high soar on the wings of success to our students.

Mr. Naveen Nath is a true inspiration for generations to come. We are touched by his amazing talent and determination that can overcome major adversities in life. He is the JGM in Indian farmer fertilizer cooperative limited (IFFCO). He had also published number of articles in the national and international magazines. He is holding a degree In chemical engineering from IIT Roorkee. He is also an honorable member of the institute of cost and management. Presently he is working as chief executive officer in Sikkim IFFCO organics limited. According to \*Mr. Naveen Nath\* there is just one formula for success i.e \*Hardwork+Dreams+Dedication=Success\*.

### GMPS MOTTO

The motto of GMPS is, "Vidya gyanodaya Bhavati". It means knowledge in terms of education for an individual to gain wisdom. Wisdom is the source to achieve the aim and goals of life to reach attainment of success. We believe that one is topper in academics when they are able to understand the book so that after 12th they can figure out their own path to attain success in their field.

### GMPS MISSION

To make GMPS Students well rounded and self dependent individuals by inculcating in them a passion for life long learning, compassion and respect for others. GMPS provide requisite skills & qualities so that they can contribute to the society.

### GMPS VISION

GMPS want to create impeccable, who are not just knowledgeable and proactive leaders but also intuitive & empathetic to the needs of others. Physical fitness, mental resilience, emotional balance & intellectual refinement are our goals for the Moms Pride students. GMPS provide Exposure to the students in State Culture, National Culture & Global perspectives to the students through various Platforms.

## ANNUAL EVENTS AT GMPS

### \*Why Culture?\*

A country as diverse as India is symbolized by the plurality of its culture dozens of religions, languages, and ethnic groups shape the incredibly diverse culture of India.

One of the most popular customs and traditions in Indian culture is the Namaste greeting, sometimes called namaskar.

\*How we celebrate our culture?\*

In a spectacular display of talent, creativity, and cultural richness, \*Goswami's Moms Pride school\* is the first to commence \*The Cultures\* in the town Pilibhit. This \*Culture\* is the root of our organisation. We the GMPS are known for our annual event cultures.

We celebrate this event in two phases:

- The first phase of \*Culture\* is where our tiny munchkins showcase their hidden talents in the form of dance, dramas and in several traditional fights and they also show the lifetime achievements of our unsung heroes in form of play on a huge platform which provides them enough exposure which we also say as our \*Annual event\*

This event help our kids to seek in the heart of our nation India.

- The second phase of our \*Cultures\* is known as \*Exhibition\* in which our extraordinary kids show their different colours of idea's in forming number of useful stuff by the help of the object's which are completely futile.

These number of talents shown by our students leave the audience always spellbound.

\*The school's exceptional faculty, innovative pedagogy, and nurturing environment have been instrumental in achieving this holistic education.\*

## Curriculum Followed

GMPS is an amalgamation of competent teachers, state of the art infrastructure, an idyllic setting of experienced and efficient administration, modern and secure infrastructure, pollution free & tuition free environment with CISCE curriculum and excellent pastoral care. Our curriculum is creative and stimulating, with equal emphasis on academics and beyond the classroom activities through a wide range of opportunities. All of this forms a base for our holistic education.

**Academics at school focuses on inculcating in the students' five key skills –**

- English Speaking skills
- Practical & Technological knowledge
- Great Conversational skills
- Physical Fitness
- Integrity & Confidence

All key skills in our curriculum converge to bring out the best in every child and enable them to be on the path of continuously evolving and progressing.

## Why CISCE?

- ICSE (Indian Certificate of Secondary Education) is a reputed board which is autonomous. ICSE is the highest level of certification in Indian Standard.
- The syllabus followed by the ICSE board is more comprehensive and complete, encompassing all fields (Science & Commerce) with equal importance.
- By choosing ICSE, you are giving an opportunity for your child to work on its overall growth & enhance their English Speaking skills.
- ICSE prefers more student assessments and more practical tests are conducted with all the subjects.
- ICSE certificate is recognized all over the world.
- The way ICSE syllabus, its subjects and teaching methodology are designed, ensures substantial preparation of students for all possible career opportunities.
- Balanced curriculum, its comprehensive nature and completeness, precise combination of theoretical and practical work, subject flexibility, availability of vocational courses and great development of students' comprehension and analytical skills are some of the hallmarks of the ICSE Board and its curriculum.

## What makes GMPS truly Distinctive

1. The only ICSE board school in Pilibhit
2. GMPS Celebrates a culture of excellence in academics and all-round development of children with the best teacher student ratio of one ratio of 1:17.
3. Talented, experienced and dedicated teachers with linguistic proficiency and cultural diversity.
4. A safe and secure learning environment with focus on student well-being.
5. Outstanding academic results, sports and co-curricular achievements

## Pedagogy Schooling

For all-round development we prepare students for

- Science Olympiad
- Math Olympiad
- English Olympiad
- Quizzes organized by ICSE

# Little Sunshines of GMPS

GMPS Kindergarten Follows a specific teaching methodology to ensure that young minds are engaged in learning. Kindergarteners have short attention spans, so it is important to keep the lesson interesting and engaging. GMPS uses lots of props, games, and other hands-on activities to hold their attention. At GMPS kindergarten-age readers are taught a comprehensive phonics curriculum often addresses: Letter-Sound Awareness, Short Vowel Patterns, R-Controlled Vowels, Blends and Digraphs & Long Vowels. Nursery rhymes, storytelling, and simple sound games are techniques to introduce sounds. The goal of phonics is to give students access to a wealth of words for reading and writing.

## Objectives of Preschool Education at GMPS

- To ensure child friendly environment where each child is valued, respected, feels safe and secure and develops a positive self-concept.
- To enable a sound foundation for good health, well being, nutrition, healthy habits and hygiene.
- To enable children to become effective communicators and foster both receptive and expressive language.
- To help children become involved learners, think critically, be creative, collaborate, communicate and connect with their immediate environment.
- To enable a smooth transition of children from preschool to primary schools.
- To work as partners with parents and community to enable each child to flourish

## OUR CLUBS

GMPS school is divided into four units called "Clubs". These clubs Provide an excellent way to synergize pupils of different classes and ages. It also Provides opportunities for all-round development of students through numerous activities. It helps to develop in them leadership qualities, self-confidence, team work, cooperation, competitive spirit, and inculcates good moral and social values

### Legends

*Be a Legend and behave like a legend*

Legends club does exactly what it says on the tin, very famous and admired by a lot of people. This club has always been known for its teamwork and hard work. The motto of this club has always been to motivate inspire and support others to grow along with their own growth. The future vision of this club is to develop personality, installing qualities of self-reliance, courage, self-confidence and self esteem and of course to nurturing physically, mentally and spiritually balance addition within a deep sense of patriotism.

### Victors

*Be a victors nothing less then it is acceptable*

Victors identity in the name only. As Victors club not only teach to accept the challenges but also teaches how to be the first and hold the victory in your hand. As the motto of this club has always been winner, achieve victory and no compromise in hard work, face the challenges and never lose your confidence. The main focus is to make each and every child all rounder, not only good but the best in every field and develop self-confidence, courage and to face all the problems now as well as in future. As for a victors not only success but also challenges are equally important in his or her life because that makes you self reliant and makes you aware of self-confidence and also makes you to learn how to cross difficult path alone which helps them to be a good leader, representative, superior, figurehead and not to be Avoid the difficulties. The another name of bold, confident and the fear is victor so, "Be a victors, nothing is less than it is acceptable".

### Supreme

*Be a Supreme because it is above all*

The main motive of the club is to take students to the greatest possible means supreme "Above all". We focus mainly on overall development like discipline, sportsmanship and to inculcate knowledge of not being a good student but a True Citizen of India. There are different physical and mental activities for the overall development of children like sports, cluster, interschool competition and events like quiz, solo singing and two ignite the spark inside the children to face the competition in further life. The club have a captain and a vice captain to develop leadership quality inside the children. The students are working hard day by day to achieve the criteria set by the club to be above All in all aspects which help them to lead a dignified and prosperous life.

### Elites

*"Be an elite and athlete from mind"*

A group that is thought to be the best or most important because of its power, intelligence, etc. An elite who is likely to be a dependable, hardworking and conscientious about the quality of their work. The one who is to be self assured, is not overly affected by what others think of them and is confident in their decision and actions. For the overall development of intelligence and consciousness of the student in the field of academics, sports and many other physical activities. The club have a captain and vice captain to develop leadership quality of a child.

# Activities at GMPS

Extracurricular activities are an essential part of GMPS teaching module. These activities enable students to apply academic skills in a real-world context. They also allow students to reinforce the lessons learned in the classroom. To become a successful person, the excellence in knowledge helps the students only 20%, balance 80% they need EMOTIONAL excellence that they get from the co-curricular activities. In GMPS we are not preparing students for leaving tomorrow, we make school itself a life. Education is not learning by rote and then repeating it in the examination. Our approach is student-centered and goes beyond text books, class rooms and boundaries. Students develop practical skills, enabling them to apply their learning to unfamiliar situations and think critically about different issues. These prepare them for a lifelong success. We have live multimedia presentations to facilitate deeper understanding of concepts.

# Social Excursion & Educational Trips:

Educational tours are a crucial component of educational program because they give the chance to learn outside of the classroom and to get useful practical experience.

**GMPS follows a proverb that says :**

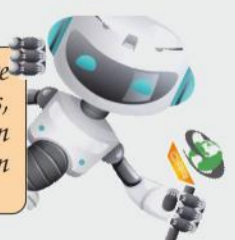

**I hear & I forget, I see & I remember, I do & I comprehend.**

It refers to the idea that seeing something being done in a certain location helps people remember better. GMPS does believes in visual learning through educational trips.

**TECH CORNER AT GMPS**

GMPS provides mobile application 'ERP' as a communication tool so that the teachers, parents and even students can have an access to it and use it as per the necessity. It provides various facilities like attendance report, homework, messages, notices, assignments by teachers etc. It helps in bringing great amount of transparency and ease in day to day functioning. The application updates the parents about daily school activities on regular basis. It helps in building the technological communication between parents and the school.

## “Best in the Field”

Sports are essential for students overall growth and development. Playing various sports helps them to teach life skills such as Discipline , Teamwork , leadership, Accountability, Patience and Self-confidence and prepares them to face life challenges.

We at GMPS starts the learning of the student from the primary level and sports help students to develop a strong Physical and Mental foundation from an Early Stage.

GMPS always make the students to do all the sports activities such as Track and Field events. Team games such as Football, Volleyball, Cricket, Kabaddi, etc enhances Collaboration, Communication and Social skills while individual games like Badminton, Cycling, Chess , etc helps to encourage Self-discipline, Self-awareness, Personal progress along with outdoor games like Javelin, Kho – Kho , Hurdle race, etc and indoor games like Darts, Archery , Chess, Table tennis, Swimming, etc.

GMPS gives our students a strong foundation for sports by sending our school teams to different Inter School Tournaments, Interstate Tournaments, ICSE Tournaments for giving them better exposure to the World. So , Lets **“OUTSMART, OUTPLAY, OUTSCORE”**

## Dignitaries and Educationalist Visits at G.M.P.S.

The invitation of experts as guest lecturers offers students the opportunity to meet passionate, committed and critical people and to learn from them in various ways. Educationalists at GMPS provide an important educational experience for students based on their real-world life experiences. Students get to see the insight and perspective of the Dignitaries' specific field. The format can enable students to interact with professionals in formal and informal settings. Through discussions, interpersonal competence and communicative skills are fostered. Guests' contributions can take the format of a single lecture, a lecture series over a specific period or workshops.

Another benefit is the link that students get to make between what they learn in their textbooks and the experiences shared by the guest speaker. Students thereby build important connections between what they have learned and the real world.
